Subject: FW: due midday 26 June to Meredith Lawry: [IN-CONFIDENCE]Feedback on FTA#100 - Gressons Road Development requested

Kia ora,

We do not know of a reason why this would be ineligible. It doesn't affect PCL, although it is a known area for lizards, eels and mudfish so a Wildlife Act permit would be needed.

Given the confidentiality requirements of this process, we have not been able to engage with our Treaty partners or address our obligations to give effect to Treaty principles. We recommend engagement with the Treaty partners to fully understand their perspectives.

Thanks,
MEredith

This listed project application is for FTA#100 - Gressons Road Development

The project has triggered your criteria for consultation.

Could you please provide comment on:

- whether the project requires any other related approvals from your agency
- if you are aware of anything that would render the project ineligible under clause 18 of the Bill
- if you are aware of any Treaty settlement matters which relate to the project site – such as local protocols
- any other relevant matter?

If possible, could you please provide your feedback by COB 26 June 2024. We understand you have a large number of assessments to get through do keep in touch if you need extra time with any specific application.

Please let me know if there is anything I can do to assist.
