Kia ora Amanda,

Please see the attached which you would have received in your confirmation email. Please also treat this as confirmation your application has been received.

The confirmation email should have gone to Dan. Could you please confirm that Dans email ^{s 9(2)(a)} is correct?

Kia ora

I lodged a Fast Track referral application through the MfE website yesterday afternoon but I haven't received a confirmation email of lodgement and neither has RCL, the Applicant. The last page after the submission said that this would come through.

Can I please have confirmation that this has been lodged asap as Im mindful of the Friday deadline.

Regards
Amanda
