I can confirm that as far as we can ascertain, this application does not include any public conservation land.

It does not appear to breach any specific treaty obligations under the Rangitane o Manawatu or Ngāti Kahungunu ki Tamaki Nui a Rua deeds of settlement for which DOC is responsible.

Accordingly, on the information available, we have nothing to advise from DOC's perspective that the application is not eligible for Fast Track consideration.

Please find attached the application material for the listed project application FTA240 Tararua Wind Farm Repowering.

The application is for a wind farm in the Manawatu.

The applicant indicates a Wildlife Act approval is required.

Could you please provide comment on:

- if you are aware of anything that would render the project ineligible under clause 18 of the Bill

- if you are aware of any Treaty settlement matters which relate to the project site.

Could you please aim to provide feedback by close of business **23 May 2024**?
