Dear Anna Carter

**COVID-19 Recovery (Fast-Track Consenting) Act 2020 – request for further information  
– Alabaster Residential Development Project**

Thank you for your application to refer the Alabaster Residential Development Project to an expert consenting panel for consideration under the COVID-19 Recovery (Fast-track Consenting) Act 2020 (FTCA).

Under delegated authority from the Minister for the Environment (the Minister), I am writing to request the following further information under section 22 of the FTCA:

1. An analysis of how you anticipate the project will meet the exemption criteria of clause 3.10 of the National Policy Statement for Highly Productive Land 2022.

Please provide the required information via return email within 10 working days so that the Minister can take it into account when deciding whether to accept the referral application.

Please note the Minister is not required to consider information provided after this time but may do so at his discretion. To ensure there is sufficient time for the application to be considered through the referral process before the FTCA is repealed, it is suggested you compile the requested information in full as soon as possible.

Yours sincerely
