D. J. CHAPMAN

Secretary

**NOTES:** For your information the provisions of sub-sections (5), (6), (7), (9) and (12) of Section 4 of the Public Works Amendment Act 1963 are set out below.

(5) The National Roads Board in the case of any limited access road under its control, and the local authority in respect of any limited access road under its control, may from time to time:

(a) By notice to the owner of the parcel of land affected,

(i) Authorise, subject to such conditions (if any) as it may specify, any specified crossing place at which vehicles may proceed to and from any limited access road from and to any specified parcel of land.

(ii) Cancel any such authorisation if the parcel of land will still have reasonably practicable legal access to some other road or street or will still have some other authorised crossing place.

(iii) Cancel or vary any such conditions or impose further conditions.

(b) Construct any access road that it may be expedient to construct to give access, whether additional or not, to any land adjoining or near the limited access road.

(c) In the same manner as it declares any road to be a limited access road, revoke any such declaration.

(6) With restricting any provision of any other Act, it is hereby declared that no person shall drive or move any vehicle or cattle, or permit any vehicle or cattle to be driven or moved, onto or from any limited access road, except:

(a) In a case where a State Highway or road or part thereof has been declared under subsection (1) or subsection (2) of this section to be a limited access road, at a motorway, road, street, or service lane from which vehicles might lawfully be driven or moved onto the State Highway or road or part thereof immediately before that declaration; or

(b) In any case to which paragraph (a) of this subsection does not apply, at a motorway, road, street or service lane from which vehicles to the limited access road has been authorised by the National Roads Board or the controlling local authority, as the case may be, and subject to such conditions as may be approved and publicly notified by the National Roads Board or the controlling local authority, as the case may be; or

(c) At a specified crossing place authorised by the National Roads Board or the controlling local authority, as the case may be, and subject to such conditions as are for the time being specified by the National Roads Board or the controlling local authority, as the case may be, in accordance with subsection (5) of this section.

(7) Where any provision of any enactment makes any person's right to erect or use a building of any kind on any land, or to subdivide or sell any land, conditional upon the land having frontage or access to a road or street, or in any other way conditional upon the existence of a road or street, for the purposes of that provision a limited access road shall be deemed not to be a road or street.

(9) Every person who acts in contravention of or fails to comply in any respect with any provision of this section commits an offence and is liable on summary conviction to a fine not exceeding \$20.00 for each such offence.

Subsection (12) of section 4 of the Public Works Amendment Act 1963 relates to claims for compensation in respect of the exercise of any power given under section 4 and it is desired to draw your attention to the provision that any claim for compensation shall not be made after a period of five years from the date of the exercise of the power.
