To whom it may concern

Ladies Mile Development

Remarkable Start is an established Early Learning Centre in the Wakatipu with one centre operating at Mountain Ash Drive, Frankton and a second one due to start construction in the very near future on Maori Jack Road, Jacks Point, (Site work commenced Monday 24th May, 2021)

We would like to express our interest in opening a third Early Learning Centre at the Ladies Mile development, we would be in a position to start on planning as soon as the site dimensions are made available to us.

Our centre would employ 18 staff when at full capacity, we would expect to get under way when the proposed primary school is under construction.

We look forward to hearing from you

Kind regards
