Subject: Great South Homes Park -project summary

Hi Samantha,

Hope you're well. Further to my phone conversation with Jess, can the project summary for Great South Homes Park please be amended to the following:

The proposal includes the development of 6.1 hectares of Mixed Housing Urban zoned land to enable the construction of 338 residential units and 400m² of commercial activity. Associated works include subdivision, the construction of roading, private access, three waters infrastructure, a stormwater management pond, and public open space. Architectural and landscape drawings are included at Attachments 3 and 4.

Please be in touch if anything further is required.

Ngā mihi | Kind regards
