Development Manager
s 9(2)(a)

Dear Ben MacGibbon

COVID-19 Recovery (Fast-Track Consenting) Act 2020 – Notice of Decisions (Section 25) – Lincoln Retirement Village Project

Thank you for Arvida Group Limited's application under section 20 of the COVID-19 Recovery (Fast-track Consenting) Act 2020 (FTCA) seeking referral of the Lincoln Retirement Village Project (project) to an expert consenting panel (panel) for consideration under the FTCA.

The project is to construct and operate a retirement village on an approximately 11.4-hectare site located at 1506 Springs Road, Lincoln, Canterbury. The retirement village will include approximately 200 independent-living residential units, a two-storey care home building that accommodates approximately 60 assisted-living suites, and ancillary facilities, including a clubhouse and pavilion for resident activities. The project also includes works within Springs Road road reserve to upgrade the site access, development of outdoor recreation areas, landscaping, car parking areas, and any necessary upgrades to three-waters infrastructure.

The purpose of the FTCA is to promote employment to support New Zealand's recovery from the economic and social impacts of COVID-19 and to support the certainty of ongoing investment across New Zealand, while continuing to promote the sustainable management of natural and physical resources.

I can only refer the project to a panel for consideration under the FTCA if it meets the referral criteria in section 18 of the FTCA, which includes me being satisfied the project will help achieve the FTCA's purpose.

I have decided the project meets the referral criteria in section 18 of the FTCA and I consider it will help to achieve the FTCA's purpose as it has the potential to:

1. generate employment by creating approximately 919 direct full-time equivalent (FTE) jobs over an approximately 7-year design and construction period and approximately 66 ongoing FTE jobs through the ongoing operation of the retirement village

2. increase housing supply for aged persons through the construction of approximately 200 residential units
3. progress faster than would otherwise be the case under standard Resource Management Act 1991 process.

Any actual and potential effects arising from the project, together with any measures to avoid, remedy, mitigate, offset or compensate for adverse effects, could be tested by a panel against Part 2 of the Resource Management Act 1991 and the purpose of the FTCA (section 4 and clause 31 Schedule 6).

Accordingly, I have decided to accept your application for referral under section 24(2) of the FTCA and refer all of the project to a panel.

Persons or groups a panel must invite comments from

In accordance with section 24(2)(e) of the FTCA, I have also decided that a panel must invite comments on any resource consent application for the project lodged with the EPA from the following persons or groups additional to those specified in clause 17 Schedule 6 of the FTCA:

1. Minister for Seniors
2. Mahaanui Kurataiao Limited.

This will allow those parties the opportunity to have input into the consideration of the application and enable a panel to better understand the potential effects of the proposal.

These directions do not preclude a panel from inviting any other parties to comment on any application lodged with the EPA under the FTCA.

I will progress an Order in Council through the Executive Council for the project. The wording of the referral order may vary slightly from the statements and directions included in this letter, due to legal drafting requirements.

Once this Order is made you will be able to lodge your applications for resource consent with the EPA for a decision by a panel. The decision to approve or decline the resource consents is a matter for the panel appointed by the Panel Convener Judge L J Newhook. You should not take my decision to refer the project as an indication or direction that the determination of those approvals will be successful. Additionally, my decision does not in any way endorse any related or concurrent planning decisions such as zoning decisions that may affect the project.

Please do not publicly release my decision or this notice until the Order in Council for this project has been approved by Cabinet and notified in the New Zealand Gazette.

The FTCA requires that:

1. I provide a copy of my decisions to the persons, entities and groups specified in section 25(1) and (2) of the FTCA
2. My decisions, the reasons for them, and the Section 17 Report will be published on the Ministry for the Environment's website in accordance with section 25(3) of the FTCA.

I have also decided to provide a copy of this decision to Mahaanui Kurataiao Limited in addition to those parties specified in the FTCA.

Please contact the Fast-track Consenting Team at the Ministry for the Environment (fasttrackconsenting@mfe.govt.nz) if you have any questions or wish to discuss this decision.

Yours sincerely
