Dear Nicole Rosie

COVID-19 Recovery (Fast-Track Consenting) Act 2020 – comments sought on referral application – Rotokauri Greenway and Minor Arterial Project

The Minister for the Environment (Minister) has received an application from Hounsell Holdings Limited and Hamilton City Council to refer the Rotokauri Greenway and Minor Arterial Project (project) to an expert consenting panel (a panel) for consideration under the COVID-19 Recovery (Fast-track Consenting) Act 2020 (FTCA).

The purpose of the FTCA is to promote employment to support New Zealand's recovery from the economic and social impacts of COVID-19 and to support certainty of investment while continuing to promote the sustainable management of natural and physical resources.

The project is described in Appendix A and the application documents are in Attachment 1.

Waka Kotahi may have an interest in the project because the project will include works within the extent of a Waka Kotahi designation under the Hamilton City District Plan. Under delegated authority from the Minister and pursuant to section 21(3) of the FTCA, I invite Waka Kotahi to provide written comments on the referral application. A template is provided for this purpose in Attachment 2.

The above information is provided to you in confidence and as part of the statutory process set out in the FTCA. Please do not forward the application or request for comments to anyone outside your organisation.

If the Minister accepts the application and the project is referred to a panel, the applicants will be able to lodge applications with the Environmental Protection Authority for the approvals needed under the Resource Management Act 1991. The applicants must provide a detailed assessment of environmental effects and cultural impact assessment(s) as part of this process.

Please provide comments via return email within 10 working days to ensure that the Minister takes them into consideration when deciding whether or not to accept the referral application. Note that the Minister is not required to consider any comments provided after this time.

If you would like more information about the fast-track consenting process, or to discuss the application, please contact the Ministry for the Environment's Fast-track Consenting Team at fasttrackconsenting@mfe.govt.nz to arrange an appointment.

Yours sincerely

Rebecca Perrett
Acting Manager, Fast-track Consenting Team
