Dear Fraser McNutt

**COVID-19 Recovery (Fast-Track Consenting) Act 2020 – request for further information
– Rotokauri Greenway and Minor Arterial Project**

Thank you for your application to refer the Rotokauri Greenway and Minor Arterial Project to an expert consenting panel for consideration under the COVID-19 Recovery (Fast-track Consenting) Act 2020 (FTCA).

Under delegated authority from the Minister for the Environment (the Minister), I am writing to request the following further information under section 22 of the FTCA:

1. How many direct full-time equivalent jobs will be created by the Rotokauri Greenway component of the project, and how many will be created by the Minor Arterial component?
2. When do you expect agreements to be in place which will allow you access to all of the land within the project site?

Please provide the required information via return email within 10 working days so that the Minister can take it into account when deciding whether to accept the referral application.

Please note the Minister is not required to consider information provided after this time but may do so at his discretion. To ensure there is sufficient time for the application to be considered through the referral process before the FTCA is repealed, it is suggested you compile the requested information in full as soon as possible.

Yours sincerely

Rebecca Perrett
