Thank you for your application, received on 4 October 2021, to refer the Rotokauri North – Stage 1 project (the Project) project to an expert consenting panel for consideration under the COVID-19 Recovery (Fast-track Consenting) Act 2020 (FTCA).

Under delegated authority from the Minister for the Environment (the Minister), I am writing to request the following further information under section 22 of the FTCA:

2. Details of any agreements made or partnerships engaged in which are expected to create apprenticeships and re-training pathways
3. Details of any consent notices which apply to the titles in the Project site and any conditions imposed by those notices
4. Information on the relationship between Rotokauri North Holdings Limited, MADE Group and Green Seed Consulting Limited, and details of how the latter two parties are involved in the Project
5. Additional information on the provisions you seek to include in the Project to enable the development on the approximately 380 residential lots which you do not propose to construct on.

Please provide the required information via return email within 10 working days so that the Minister can take it into account in deciding whether to refer the project.

Yours sincerely
