Hi Rachel,

Further to our discussions this afternoon I can confirm that I am happy with the way you have expressed/described the jobs associated with the Silverlight accommodation project in the email below.

Kind regards

Scott

Hi Scott,

I am finalising my briefing on this Project and I need to confirm the job numbers with you for the accommodation component only (ie. building fit out etc with the main construction work attributed to the main project and ongoing jobs). All of our reporting is done on FTE jobs which is why we asked for it to be presented in this form. It can be an estimate as we appreciate that it can be hard to determine this figure.

I only need two numbers (highlighted) to be confirmed. Is there any chance I could have this by tomorrow morning please to meet our briefing cycles? This is what I have so far:

- a. generate approximately 175 full-time equivalent (FTE) jobs per year over a 3-year design and construction period and 30 FTE ongoing operational jobs once completed

If you could help me out with that it would be much appreciated.

Thanks

Rachel Ducker
