Dear Ministers

COVID-19 Recovery (Fast-track Consenting) Act 2020 – comments sought on applications for referral -

Summerset Retirement Village - Waikanae, Faringdon South West and South East Project - Rolleston and New Dunedin Hospital - Whakatuputupu Projects

This letter is sent to you pursuant to section 21(2) of the COVID-19 Recovery (Fast-track Consenting) Act 2020 (FTCA).

The aim of the FTCA is to urgently promote employment to support Aotearoa's recovery from the economic and social impacts of COVID-19 and to support certainty of investment while continuing to promote the sustainable management of natural and physical resources, and meet Treaty of Waitangi obligations.

The proposed projects are described in the enclosed schedule, and a copy of the applications are electronically attached.

I invite you to provide written comments on the proposed projects under section 21(2) of the FTCA. I note that if these projects are referred to an expert consenting panel for determination, the applicant will then be required to lodge a more detailed application including an environmental assessment and cultural impact assessment with the Environmental Protection Authority. You will have a further opportunity at that stage to provide comments on the applications to a expert consenting panel.

Please provide your comments via return email within 10 working days if you wish me to take them into consideration when making a decision on whether to refer the applications to an expert consenting panel.

Yours sincerely

Hon David Parker
Minister for the Environment
