Taheke Geothermal Development Project

1. The Trust owns the land comprised in the following records of title:
 - a. SA36C/174 and 505759 (together, the **Titles**)
2. The Titles are both subject to Easement Instrument 9603429.1 (**Easement Instrument**).
3. The Easement Instrument grants The Proprietors of Taheke 8C and Adjoining Blocks Incorporated (**Taheke**) the benefit of a right (in gross) to convey geothermal fluids, electricity and an geothermal exploitation easement and profit a prendre over those parts of:
 - a. Record of Title SA36C/174 identified as "A" and "E" on Deposited Plan 465688; and
Record of Title 505759 identified as "B", "C" and "D" on Deposited Plan 465688.(together, the **Servient Tenements**)
4. Clause 22 of the Easement Instrument provides that Taheke cannot transfer, lease, assign or licence all or any part of its interest in the Servient Tenements or in the Easement Instrument itself without:
 - a. the consent of the Trust (such consent not to be unreasonably refused or delayed);
 - b. the transfer or assignment of its interest in the Servient Tenements being in conjunction with the Trust also consenting to an assignment of the Project Participation Agreement dated 5 September 2012 (**Participation Agreement**) between Taheke and the Trust.
5. We understand that Taheke and Eastland Generation Ltd (**Eastland**), or a Project SPV established by them (**Project SPV**), are intending to develop the geothermal resource under some of Taheke's properties (**Project**). We further understand that the Project will require the use of Taheke's rights pursuant to the Easement Instrument and the Project Participation Agreement.
6. We remain committed to the intent behind the Participation Agreement that we entered into with Taheke and the use of the Geothermal Resource under the Trust's land by the Project SPV for the Project.

Mōrena,

Further to the below email/attachments, please now find attached a letter from the Whangamoa Trust (the Trust) dated 1 May 2023.

The letter confirms:

- the Trust's understanding of the partnership arrangement between Taheke 8C and Eastland
- acknowledges that the project will require the use of Taheke's rights pursuant to the Easement Instrument over the Trust's land, and
- confirms that the Trust remains committed to the intent behind its agreement with Taheke and the use of the geothermal resource under the Trust's land by the partnership for the project

We request that this letter form part of the information to be considered by the Minister when determining whether to approve the project for fast tracking.

Ngā mihi,

Vanessa Hamm / Partner
