Dear James Gardner-Hopkins

**COVID-19 Recovery (Fast-Track Consenting) Act 2020 – request for further information
– The Yards Project**

Thank you for your application to refer the Yards Project to an expert consenting panel for consideration under the COVID-19 Recovery (Fast-track Consenting) Act 2020 (FTCA).

Under delegated authority from the Minister for the Environment (the Minister), I am writing to request the following further information under section 22 of the FTCA:

1. How many full-time equivalent jobs will be created through the construction of the storage facility?
2. Please clarify the land which will be included within the project site, and who the legal owners of that land are. If the applicant is not the owner of all the land, please explain any arrangements in place to allow the applicant to develop that land.

Please provide the required information via return email within 10 working days so that the Minister can take it into account when deciding whether to accept the referral application.

Please note the Minister is not required to consider information provided after this time but he may do so at his discretion. Please email any requests to extend the timeframes for providing information, together with reasons for the request, to fasttrackconsenting@mfe.govt.nz before the due date.

Yours sincerely
