

In Confidence

Office of the Minister for the Environment

Chair, Cabinet

COVID-19 Recovery (Fast-track Consenting) Referred Projects (Wairau Housing Development) Amendment Order 2023

Proposal

- 1 This paper seeks authorisation for submission to the Executive Council of the COVID-19 Recovery (Fast-track Consenting) Referred Projects (Wairau Housing Development) Amendment Order 2023 (the Amendment Order).
- 2 The Amendment Order amends the COVID-19 Recovery (Fast-track Consenting) Referred Projects Order 2020 to include as a project referred to an expert consenting panel (panel):
 - 2.1 Hāpai Development Property Limited Partnership's Wairau Housing Development project.

Executive Summary

- 3 The COVID-19 Recovery (Fast-track Consenting) Act 2020 (FTCA) is one of the Government's temporary actions to support New Zealand's economic recovery from COVID-19. The FTCA enables any person to apply to me, as Minister for the Environment, to fast-track certain approvals required under the Resource Management Act 1991 (RMA) for their project.
- 4 Projects that I accept are referred to a panel by an amendment to the COVID-19 Recovery (Fast-track Consenting) Referred Projects Order 2020, subject to Cabinet's agreement. This allows an applicant to lodge resource consent applications and/or notices of requirement for a designation with the Environmental Protection Authority (EPA) for consideration by a panel.
- 5 Before granting RMA approvals a panel must conduct a merit-based assessment of the project's actual and potential effects and test these against the requirements of both Part 2 of the RMA and the purpose of the FTCA.
- 6 I received an application from Hāpai Development Property Limited Partnership (HDPLP) to fast-track the Wairau Housing Development project.
- 7 The project is an iwi-led medium density, mixed-tenure residential development adjacent to Wairau Hospital in Blenheim, which is being progressed with the support of Te Tūāpapa Kura Kāinga - Ministry of Housing and Urban Development (MHUD).
- 8 I sought written comments on the application from the relevant local authorities and relevant Ministers prescribed by the FTCA.
- 9 I considered all comments received and the report prepared under section 17 of the FTCA.

- 10 I have accepted the project for referral as I am satisfied it meets the eligibility criteria specified in section 18 of the FTCA. It will help achieve the FTCA's purpose by generating employment over a 5-year period and increase housing supply by approximately 105 residential units.
- 11 I consider the project will likely progress faster using the FTCA processes than if consents were sought through standard RMA processes, and any actual and potential effects on the environment, together with any measures to mitigate, offset or compensate for adverse effects, can be considered and determined by a panel subject to Part 2 of the RMA and the purpose of the FTCA.
- 12 I now seek authorisation for submission of the Amendment Order to the Executive Council. The Amendment Order enables HDPLP to apply via the EPA to a panel for the relevant approvals needed under the RMA for the project, in accordance with the process in the FTCA.

Background

- 13 The FTCA is one of the Government's temporary actions to support New Zealand's economic recovery from COVID-19, by promoting employment and supporting on-going investment. Access to the FTCA referral process remains in place until the FTCA is repealed in July 2023.
- 14 The FTCA enables any person to apply to me, in my role as Minister for the Environment, to access the fast-track consenting process for their project. If I accept an application, the project is referred by Order in Council – specifically, via an amendment that adds the project as a new schedule to the COVID-19 Recovery (Fast-track Consenting) Referred Projects Order 2020 – subject to Cabinet's agreement. This allows an applicant to lodge a resource consent application or notice of requirement for a designation with the EPA for consideration and decision by a panel.
- 15 Panels are appointed by Panel Convener Judge Laurie Newhook and are constituted according to the specific representation, skills and knowledge required for the project under consideration. Before a panel grants any RMA approvals for the project it must, among other things, consider comments from invited parties on the applications for these approvals, assess the project's actual and potential effects, and test these effects against the requirements of Part 2 of the RMA and the purpose of the FTCA. As part of this process the panel may seek further information from a range of parties, including those invited to comment.
- 16 I receive weekly updates on the projects accessing the fast-track provisions and their progress.
- 17 As of 7 June 2023, 167 applications have been made under the FTCA to refer projects to a panel, of which:
 - 17.1 85 projects have been referred and Orders in Council gazetted. Details are in Appendix one. In summary, for these projects:
 - 17.1.1 36 have been granted RMA approvals by a panel (Kapuni Green, Ariki Tahi Sugarloaf Wharf, Botanic Riverhead are under appeal)
 - 17.1.2 2 have had applications for RMA approvals declined by a panel (Flints Park – Ladies Mile is under appeal)

- 17.1.3 14 are under active panel consideration
- 17.1.4 31 have yet to lodge RMA applications
- 17.1.5 2 have subsequently decided not to seek RMA approvals through the panel process or have withdrawn from a panel process before it was completed.
- 17.2 20 projects have been accepted for referral and are awaiting Orders in Council. This includes the project that is the subject of this paper
- 17.3 8 referral applications are being processed and are yet to receive referral decisions
- 17.4 39 referral applications have been declined for a range of reasons including not meeting the purpose of the FTCA and it being more appropriate for them to go through the standard RMA consenting process
- 17.5 15 referral applications have been withdrawn by the applicants.
- 18 I am not required to make referral decisions on projects listed in Schedule 2 of the FTCA. Authorised persons or entities for these projects may lodge their applications for RMA approvals with the EPA at any time while the relevant FTCA provisions are in force. An update on the listed projects is in Appendix two.

Project for referral: Wairau Housing Development

- 19 HDPLP applied to use the fast-track consenting process for the Wairau Housing Development project. The project is to subdivide an approximately 4.5-hectare site adjacent to Wairau Hospital on Hospital Road, Blenheim, and construct approximately 105 residential units, roads and reserves intended to vest with Marlborough District Council (MDC) and supporting infrastructure including accessways, car-parking areas and three-waters services.
- 20 The project involves activities such as removing vegetation, demolishing buildings and structures, earthworks, discharging stormwater, constructing buildings, infrastructure and structures, and landscaping and planting. It requires subdivision and land use consents under the Proposed Marlborough Environment Plan (PEMP) and resource consent under the Resource Management (National Environmental Standards for Assessing and Managing Contaminants in Soil to Protect Human Health) Regulations 2011.
- 21 I note that HDPLP, together with Te Runanga a Rangitane o Wairau, and Te Tau Ihu iwi, are developing the project with the support of Te Tūāpapa Kura Kāinga – Ministry of Housing and Urban Development (MHUD).
- 22 I sought written comments on the referral application from the relevant local authority – (MDC, and from relevant Ministers as determined by section 21(6) of the FTCA.

Overview of comments

- 23 s 9(2)(f)(ii), s 9(2)(g)(i)

s 9(2)(f)(ii), s 9(2)(g)(i)

24 s 9(2)(f)(ii), s 9(2)(g)(i)

25 s 9(2)(f)(ii), s 9(2)(g)(i)

26 s 9(2)(f)(ii), s 9(2)(g)(i)

27 MDC supported project referral but noted the proposed development may conflict with PMEP policies seeking a lower density of housing in the Urban Residential 2 zone applying to the project site. I consider this is a matter that can be appropriately considered by a panel.

Decision

28 In making my decision, and in accordance with section 24 of the FTCA, I considered the application and further information received, all comments and requests for directions to the applicant and a panel provided in response to my invitation, and the eligibility criteria in section 18 of the FTCA. I also considered the report prepared under section 17 of the FTCA.

29 I have decided to accept HDPLP's application for referral of the project to a panel. I am satisfied the project meets the eligibility criteria in sections 18(2) and 18(3) of the FTCA. I consider it will help achieve the FTCA purpose as it has the potential to:

29.1 generate employment by providing approximately 219 direct full-time equivalent jobs over a 5-year design and construction period

29.2 increase housing supply through the construction of approximately 105 residential units

29.3 progress faster than would otherwise be the case under standard RMA processes.

30 The FTCA requires a panel to invite comments from the relevant local authorities, relevant iwi authorities and Treaty settlement entities, specific Ministers, owners and occupiers of adjacent land, specific non-governmental organisations and other groups

listed in the FTCA¹. In addition to these requirements I have decided to specify a panel must seek comment on HDPLP's resource consent applications from:

30.1 Ngāti Tama ki Te Waipounamu Trust

30.2 Ngāti Apa ki Te Rā Tō Post-Settlement Trust

30.3 Ngāti Apa ki Te Rā Tō Charitable Trust.

31 I consider any actual and potential effects on the environment, together with any measures to mitigate, offset or compensate for adverse effects, can be appropriately tested by a panel against Part 2 of the RMA and the purpose of the FTCA.

32 I consider there are no reasons to decide under section 24(2) of the FTCA to:

32.1 limit the scope of the project by referring it only in part

32.2 refer the project in stages

32.3 place any restrictions on the project

32.4 impose specific timeframes for panel consideration.

Timing and 28-day rule

33 Cabinet has agreed to waive the 28-day rule for Orders in Council relating to projects to be referred to a panel². Therefore, the Amendment Order will come into force on the date specified in the Amendment Order. HDPLP may then lodge resource consent applications with the EPA, for consideration by a panel.

Compliance

34 The Amendment Order complies with:

34.1 the principles of the Treaty of Waitangi

34.2 the rights and freedoms contained in the New Zealand Bill of Rights Act 1990 or the Human Rights Act 1993

34.3 the principles and guidelines set out in the Privacy Act 2020

34.4 relevant international standards and obligations

34.5 the Legislation Guidelines (2018 edition), which are maintained by the Legislation Design and Advisory Committee.

Regulations Review Committee

35 I do not consider that there are grounds for the Regulations Review Committee to draw this Order in Council to the attention of the House of Representatives under Standing Order 319.

Certification by Parliamentary Counsel Office

- 36 The Amendment Order has been certified by the Parliamentary Counsel Office as being in order for submission.

Impact Analysis

Regulatory Impact Assessment

- 37 The Regulatory Impact Assessment (RIA) requirements for this proposal have been waived. Cabinet has agreed that a RIA is not required for Orders in Council relating to projects to be referred to a panel³.

Climate Implications of Policy Assessment

- 38 The Climate Implications of Policy Assessment (CIPA) team at the Ministry for the Environment has been consulted and confirms that the CIPA requirements⁴ do not apply to the project.

Publicity

- 39 The Amendment Order will be available on the New Zealand Legislation website following its notification in the New Zealand Gazette.
- 40 To meet my obligations under section 25 of the FTCA, I have directed the Ministry for the Environment to make my decision to refer the project to a panel for consideration, the reasons for this decision, and the report obtained under section 17 of the FTCA available to the public on the Ministry for the Environment's website.

Proactive release

- 41 I intend to proactively release this paper on the Ministry for the Environment's website subject to redaction as appropriate under the Official Information Act 1982.

Consultation

- 42 The Ministry for the Environment sought comment on this paper from Te Tūāpapa Kura Kāinga Ministry of Housing and Urban Development, Ministry for Culture and Heritage, Te Puni Kōkiri, Ministry of Education, Department of Corrections, Land Information New Zealand, Treasury, Ministry of Transport, Ministry of Business, Innovation and Employment, Ministry for Primary Industries, Department of Prime Minister and Cabinet, Ministry of Health, Ministry of Defence, Department of Internal Affairs, Department of Conservation and The Office for Māori Crown Relations – Te Arawhiti.

Recommendations

I recommend that Cabinet:

- 1 **note** that I have decided under section 24 of the COVID-19 Recovery (Fast-track Consenting) Act 2020 to accept the application for referral of Hāpai Development Property Limited Partnership's Wairau Housing Development project to a panel
- 2 **note** that the Wairau Housing Development project meets the eligibility criteria in section 18(3) of the COVID-19 Recovery (Fast-track Consenting) Act 2020, and will help achieve the Act's purpose, as required by section 18(2) of the Act, as it has the potential to:
 - 2.1 generate employment by providing approximately 219 direct full-time equivalent jobs over a 5-year design and construction period
 - 2.2 increase housing supply through the construction of approximately 105 residential units
 - 2.3 progress faster using the Act's processes than would otherwise be the case under standard Resource Management Act 1991 processes
- 3 **note** that the COVID-19 Recovery (Fast-track Consenting) Referred Projects (Wairau Housing Development) Amendment Order 2023 requires an expert consenting panel appointed to consider Hāpai Development Property Limited Partnership's Wairau Housing Development project to seek comments from:
 - 3.1 Ngāti Tama ki Te Waipounamu Trust
 - 3.2 Ngāti Apa ki Te Rā Tō Post-Settlement Trust
 - 3.3 Ngāti Apa ki Te Rā Tō Charitable Trust
- 4 **authorise** submission of the COVID-19 Recovery (Fast-track Consenting) Referred Projects (Wairau Housing Development) Amendment Order 2023 to the Executive Council
- 5 **note** that on 27 July 2020, Cabinet agreed to waive the standard 28-day rule relating to Orders in Council made under the COVID-19 Recovery (Fast-track Consenting) Act 2020 [CAB-20-MIN-0353 refers]. Consequently, the COVID-19 Recovery (Fast-track Consenting) Referred Projects (Wairau Housing Development) Amendment Order 2023 will come into force on the date specified in the Amendment Order.

Authorised for lodgement
