MFE CYBER SECURITY WARNING

This email originated from outside our organisation. Please take extra care when clicking on any links or opening any attachments.

Hi Helen,

Thanks for your phone call today.

The landscape buffer shown in the Rodney Street site plan, will be established by the developer, and then subdivided into each lot, with a covenant requiring maintenance and protection in perpetuity.

Also confirming that a reason for consent is discharge of stormwater runoff in the absence of an approved Network Discharge consent for this area.

Ngā mihi | Kind regards

COSETTE SAVILLE
