Dear Duncan Unsworth

**COVID-19 Recovery (Fast-Track Consenting) Act 2020 – request for further information
– Whenuapai Development Project**

Thank you for your application to refer the Whenuapai Development project to an expert consenting panel for consideration under the COVID-19 Recovery (Fast-track Consenting) Act 2020 (FTCA).

As the project includes part of the Coastal Marine Area, the Minister of Conservation (Willow-Jean Prime) and I will jointly decide on the application. We request the following further information under section 22 of the FTCA:

1. In the event approval from Auckland Transport is not obtained for the proposed Sinton Road extension, provide an alternative design for Site C, including any change to the number of lots/residential units,
2. The number of potential ongoing full time equivalent jobs in the industrial sites.

Please provide the required information via return email within 10 working days so that we can take it into account in deciding whether or not to accept the referral application.

Yours sincerely

Hon David Parker
Minister for the Environment
