Hi John,

Thank you for the clarification.

Can you please confirm by writing to this email that Job Years present FTEs?

Best regards,

Hi Arif

Thanks for the call and email. Sorry I was not available

You asked clarification on the Market Economics work and the staging plan

The Market Economics work ended up as an updated report rather than a letter. I realise my letter to you referred to a letter rather than a report. Apologies for the confusion

The report I sent you is the updated version. The changes are the request to convert employment generation months to annual FTEs. The changes are found

- at the top of page 29 (first paragraph),
- Footnote on page 29
- On page 31 – paras 3 and 5
- On page 37, last paragraph

On the staging Plan we have a current mark up of thinking. It's based on developing from Short Cut Road into the subdivision. The hospitality / neighbourhood centre area is left till late in the programme.

The plan is in sketch form but if necessary we can get that put on cad

Any questions give me a call

Thanks

Kind regards
