Hi Arif

Thanks for your help on Wooing Tree

The answer here is that the stage 1 consent is in 3 parts. Parts 1 and 2 are unchanged Part 3 is to be increased by 11 sections. Therefore we are seeking 287 sections (276 plus 11)

Thanks

Kind regards

Hi Sean,

In the application you said the application comprises a subdivision consent to create 309 residential lots (see the attached screenshot). However, you said that you have a resource consent for 33 lots. So, are you seeking consent for 276 lots through this Fast-Track process? It's urgent. Please response asap. Thank you.

Best regards,

Arif
