Dear Jo Fyfe

**COVID-19 Recovery (Fast-Track Consenting) Act 2020 – request for further information  
– Worker Accommodation—Hansen Road Project**

Thank you for your application to refer the Worker Accommodation—Hansen Road Project to an expert consenting panel for consideration under the COVID-19 Recovery (Fast-track Consenting) Act 2020 (FTCA).

Under delegated authority from the Minister for the Environment (the Minister), I am writing to request the following further information under section 22 of the FTCA:

1. What is the anticipated timeframe for the completion of the upgrade to the intersection of State Highway 6 and Hansen Road?
2. Do you anticipate that these upgrade works will impact your ability to deliver the project?

Please provide the required information via return email within 10 working days so that the Minister can take it into account when deciding whether to accept the referral application.

Please note the Minister is not required to consider information provided after this time but may do so at his discretion. To ensure there is sufficient time for the application to be considered through the referral process before the FTCA is repealed, it is suggested you compile the requested information in full as soon as possible.

Yours sincerely
